To MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "the turn of life," should neglec to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using thisemedicine. Nor is it less valuable for those who are approaching womanhood, it is calculated to assist nature by quickening the blood and invigorating the system. Indeed TO MOTHERS AND MARRIED LADIES ening the blood and invigorating the system, this medecine is invaluable for all the dises

which women are subject.

It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and dis-
